

English

As writers...

We begin the term by using the story *Supertato and the Evil Pea* to write a defeat the baddies story.

We will then use *The Disgusting Sandwich* to learn how to write instructions. This will allow us to write instructions for making our bread rolls as part of our DT learning.

English

As readers...

We develop our reading and comprehension skills through our Read Write Inc phonics scheme.

Mathematics

As mathematicians...

We will focus on multiplication and division this term. As part of this learning, we will be learning our two, five and ten times tables.

Science

As scientists...

We will be comparing everyday materials and looking at which materials bend, squash, twist and stretch. We will also be thinking about how humans stay healthy.

Music

As musicians...

We will be listening, performing and composing. We will also be using our voices creatively when singing.

Spring 1

Titanic

Triumph or Tragedy?

ICT & Computing

As computational thinkers...

We will be creating pictograms.

Our e-safety learning will focus around online reputation and online bullying.

D&T

As designers...

We will be designing, making and evaluating bread rolls for a passenger on the Titanic.

RE

As world citizens...

We will be learning about the Jewish festival of Shabbat. We will also be learning about why Easter is important to Christians.

PSHE

As world citizens...

We will be thinking about our rights and how to show respect to others. We will also consider how we can look after our environment.

PE

As active learners...

We will also practise multi skills looking at balance and agility.

History

As historians...

We will be using a range of sources to find out what life was like aboard the Titanic and will discover that life in first class was very different to life in third class. We will also begin to consider how a ship that had been described as 'unsinkable' was able to sink.
