

English

As writers...

We will start our term by looking at the book *Dear Zoo*. We will learn what an adjective is and will then apply our learning to plan and create our own lift the flap books.

Towards the end of the half term, we will explore poetry, using *Oi Frog!* as inspiration.

English

As readers...

We will take part in daily phonics lessons, following the Read Write Inc. programme.

Mathematics

As mathematicians...

We will start the term by learning about place value. We will be focussing on the numbers between 0 and 10.

We will then move on to look at adding and subtracting within 10.

Science

As scientists...

We will be exploring animals. We will learn the different animal groups and how we can classify animals. We will also learn about what different animals eat and how they can be carnivores, herbivores or omnivores.

PE

As athletes...

We will be practising a range of skills during our unit on multi-skills, such as running, jumping and throwing.

PSHE&C

As world citizens...

Our PSHE&C unit will focus on 'Me and my relationships'. We will think about our feelings, others' feelings and why it is important to have rules.

Computing

As computers...

We will be using the laptops to develop our mouse and keyboard skills. We will also consider e-safety and how to keep ourselves safe online.

Autumn 1

Amazing Animals

How are animals unique?

RE

As word citizens...

We will start our RE learning for this year by considering the question 'Why do Christians call God 'creator'?'.
1

Music

As musicians...

We will be exploring pitch in our music lessons. We will also be learning some new songs and rhymes, all about three bears.

History

As historians...

We will start to consider what is meant by 'history'. We will learn what a timeline is and about the concepts of 'past' and 'present'. We will be thinking about this in the context of our own lives.

Design Technology

As designers...

We will be exploring the French artist, Henri Rousseau. We will experiment with using pencils artistically and will then apply our learning to create a piece of jungle art work inspired by Henri Rousseau's jungle scenes.
