English

As writers…

We immerse ourselves in the world of traditional tales. We will explore the structure of traditional tales, the characters we see, as well as beginnings, middles and ends.

We will re-tell traditional tales verbally and will then re-write the tales that we have learnt.

English

As readers…

We will take part in daily phonics lessons, following the Read Write Inc. programme.

Mathematics

As mathematicians…

We will be exploring addition and subtraction, first within 10 and then within 20.

We will also learn about shapes, focussing on identifying and naming 2D and 3D shapes.

Our term will finish with exploring place value in numbers up to 20.

Science

As scientists…

We investigate different objects and the materials from which they are made. We identify and name a variety of everyday materials, including describing and comparing materials.

PE

As athletes…

We begin to demonstrate evasive running. We learn to catch and pass a rugby ball successfully using underarm throws. We practise handling a rugby ball including passing from hand-to- hand and around your body.

Spring 1

Terrific Tales

How can we bring traditional tales to life?

Music

As musicians…

We will be exploring duration and structure in music.

Geography

As geographers…

We will explore human and physical features of our school. We will learn to devise a simple map and use basic symbols in a key. We will learn the compass points: North, South, East and West.

PSHE&C

As world citizens…

We will think about rights and responsibilities, including what 'respect' means. We will explore what it means to look after things and will begin to consider how we can look after our money.

Computing

As computers…

Using BeeBots, we practise giving commands to make sequences. We also begin to use commands to problem solve, including finding more than one solution.

RE

As word citizens…

We will be exploring Christianity, with a focus on why Jesus told parables.

Design Technology

As designers…

We will plan and design our own traditional tale character puppets. We will learn different techniques for joining fabrics together and will explore a range of finishing techniques.
